Not all grades listed will test every day during the week.

Here are some ways you can help your child be successful on their state assessment:

- Have them eat breakfast.
- Get to bed early the night before.
- Send them out the door with encouraging words.
- Try not to schedule appointments for testing days.

We understand that you may have already made appointments that cannot be rescheduled. If that is the case, please contact your student's teacher and we can make other testing arrangements.

If you have any questions regarding testing, please feel free to contact me via email or phone. Thank you for your continued support of your student(s) and our district!
